

# Nyre-Elle

**Nyre-Elle was born in August of 2003 in Florida.**

**Her sister is “Kumara”. Both girls came to WFAC in May of 2006. They had belonged to an individual who envisioned breeding servals, but changed her mind.**

**Nyre and Kumara are not very bonded with people.**

**We suspect that their personal history did not include that.**

When Nyre arrived at WFAC she was a ‘chunky’ serval. What we did not know was that she was pregnant!

One morning a month after her arrival she was caring for a newborn kitten. His name is “Rascal” and he lives at WFAC.
